

What prior knowledge should students have?

- To identify and occupy space to support the success of their team.
- Identify and play in different positions of the pitch.
- Pupils have performed skills to pass, shoot and receive with increased accuracy.
- Children have assessed their own performances to find improvements for future games.

What skills will students learn? (Disciplinary Knowledge)

- To dribble the football with both feet at pace and identify space on the pitch to move into.
- Use a variety of techniques to pass the ball with accuracy.
- To shoot a moving ball past a goalkeeper and within a game situation.
- To use a variety of techniques to tackle an opponent.
- Apply a range of tactics in a game situation and adapt them to be successful.

What key knowledge will be taught? (Substantive Knowledge)

- Children will understand the main principles required for attacking and defending in a game of football.
- Apply all football techniques to a game situation.
- Children will understand that they need to work collaboratively with others to be successful at football.
- Be able to recall the key coaching points to support others within the team.
- Analyse the game situation and devise tactics to support the team into being successful.

Key Vocabulary
Definition

Balance	This means that the player should maintain their balance when they are dribbling. This will help them to stay in control of the ball and to avoid being knocked off balance by defenders.
Dribbling into space	This means that the player should dribble the ball into open space. This will give them more time and space to control the ball and to make a pass or a shot.
Small touches	This means that the player should use small, controlled touches when they are dribbling. This will help them to keep the ball under control and to avoid losing it.
Shadow	To follow an opponent closely in order to prevent them from receiving the ball.

Key principles of invasion games
Attacking

Score goals.
Create space.
Move ball towards goal.

Defending

Stop goals.
Deny space.
Gain possession.
