

SCIENCE EXPLORATION: CHANGING STATE

- Lesson 1:

1. Recap our learning so far, using BBC Bitesize
<https://www.bbc.co.uk/bitesize/topics/zkgg87h/articles/zsgwwxs>
2. Follow the instructions on this interactive ice experiment
<http://www.crickweb.co.uk/ks2science.html#changingstate>

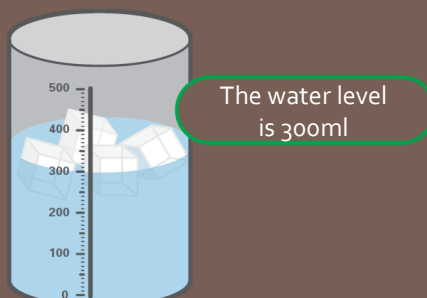

- Lesson 2:

- Have a go at making your own ice cream using the instructions on
<https://sciencebob.com/easy-to-make-ice-cream-in-a-plastic-bag/>

- Lesson 3:

- Complete the BP 'Melting Ice' experiment and write up what you observe using the sheets to help you.

- Lesson 4 & 5:

- Write up what you have learnt this week. You can include any photos you have taken of your experiments and labelled diagrams.
