

Spring Missing Numbers

Counting in 10s

The worksheet features two paths of flowers for a counting exercise. The left path is made of blue flowers, and the right path is made of purple flowers. Each path contains several empty circles for students to write missing numbers. Three monarch butterflies are illustrated around the paths.

	Purple	80

Spring Missing Numbers

Counting in 2s

The worksheet contains two paths of flowers for a counting exercise. The left path is a vertical line of blue flowers with the following numbers in their centers: 2, 10, and 18. The right path is a vertical line of purple flowers with the following numbers in their centers: 6, 12, and 16. There are three monarch butterflies: one at the top left, one at the bottom left, and one on the right side.
