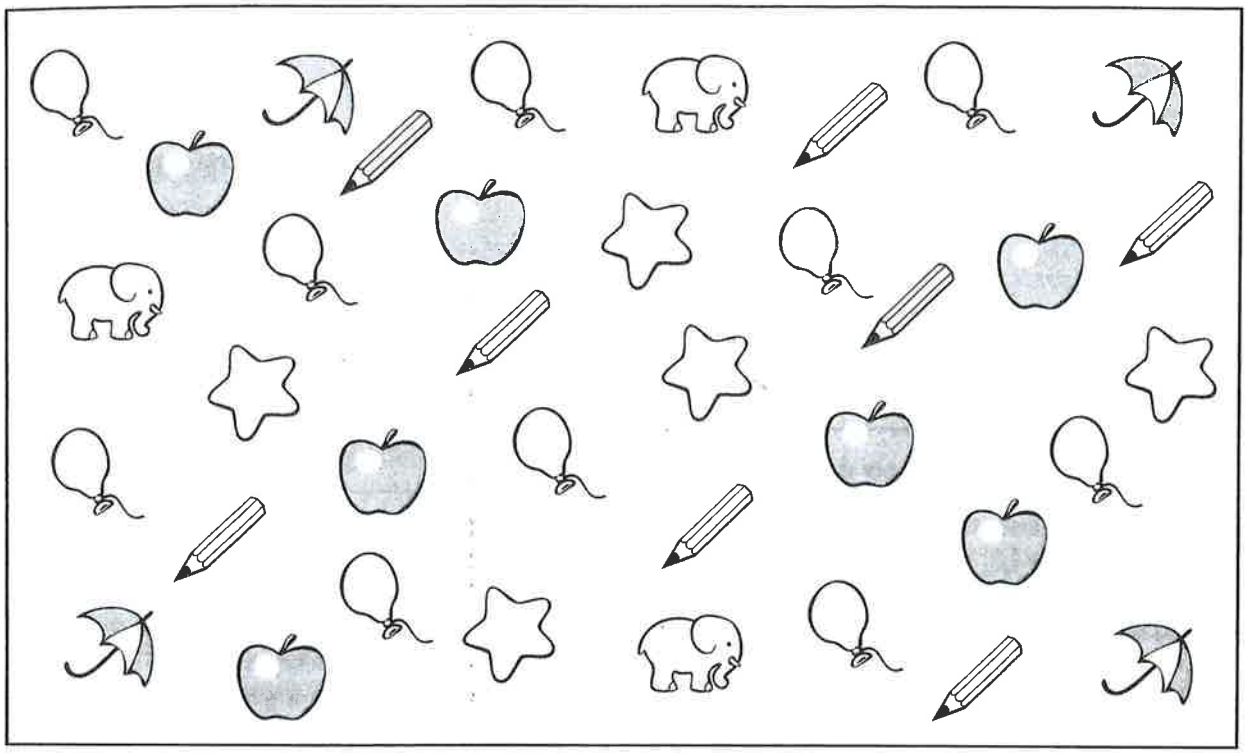
# How many are there?

- I can count up to 10 objects or actions



How many ...

| | |
|---|---|
| stars? | |
| apples? | |
| elephants? | |
| pencils? | |
| umbrellas? | |
| balloons? | |

**You need:**

- colouring pencils/crayons/ felt-tipped pens

**What to do**

*Top section:* Count the number of each different object you can find. Start by counting how many stars you can find. *Bottom section:* Colour in the number of each object you counted. Start by colouring in how many stars you found.
