

# Counting machines

Count on or back in 2s, 5s and 10s

Date: \_\_\_\_\_

The image shows six counting machines, each with a different colored body and a strip of numbered and blank boxes. The strips are arranged in a wavy line from right to left. The numbers on the strips are: 24, 54, 84, 94; 21, 31, 46, 51; 11, 17, 19; 107, 67, 57, 37; 36, 31, 16, 11, 6; 9, 3, 1.

Teacher's notes

Children complete the sequence for each counting machine by counting on or back in 2s, 5s or 10s. They then write the missing numbers in the spaces provided.
