24

What is the same about these three numbers?

What is different?

Think about ...

Think about the position of the 4 in each of the numbers.

What do you notice about these numbers if you count on in twos from 0? What does this mean?

What if?

What is the same and what is different about the numbers 12 and 21?

What about the numbers 4 and 14?

What about the numbers 5 and 16?

When you've finished, turn to page 80.
