

Name: _____ Date: _____

Penny purses

Count sets of 2, 5 or 10 to find a total

- You will need:**
- scissors
 - glue

Teacher's notes

Children cut out the totals from the bottom of the sheet. They look at the 2p, 5p or 10p coins in each purse and work out the total amount in each one. Finally, they glue the correct total next to each purse.

50p 45p 14p 20p 35p 80p
