Ayesha and Finn counted 12 fish in the rock pool.

Then 4 more swam in.

☐ ◯ ☐ ◯ ☐

Then 10 swam away.

☐ ◯ ☐ ◯ ☐

There were ☐ fish left.

Teacher's notes

Children read each word problem and then write the addition or subtraction calculations in the spaces provided.
They then write their own addition and subtraction problems on the back of the sheet using these numbers as the
answers: 10, 15, 7 and 20.
