

This week we are looking at 'air'. Can you think of any words with 'air' and write them on your whiteboards.

For example:

chair

stair

pair

\*Can you write your own sentence including a time conjunction and a question mark?

# Prefix -un

A prefix can be added to the beginning of a word to change it.

Today we're looking at adding -un

You don't need to change the root word.

fair - un

unfair

How has it changed the meaning?

Now have a go on your own!

safe, kind, able, lock, well .

unsafe

unkind

unlike

unable

unlock

unwell

\*Put these words into sentences
