

How many
minutes?

Learning Objective:

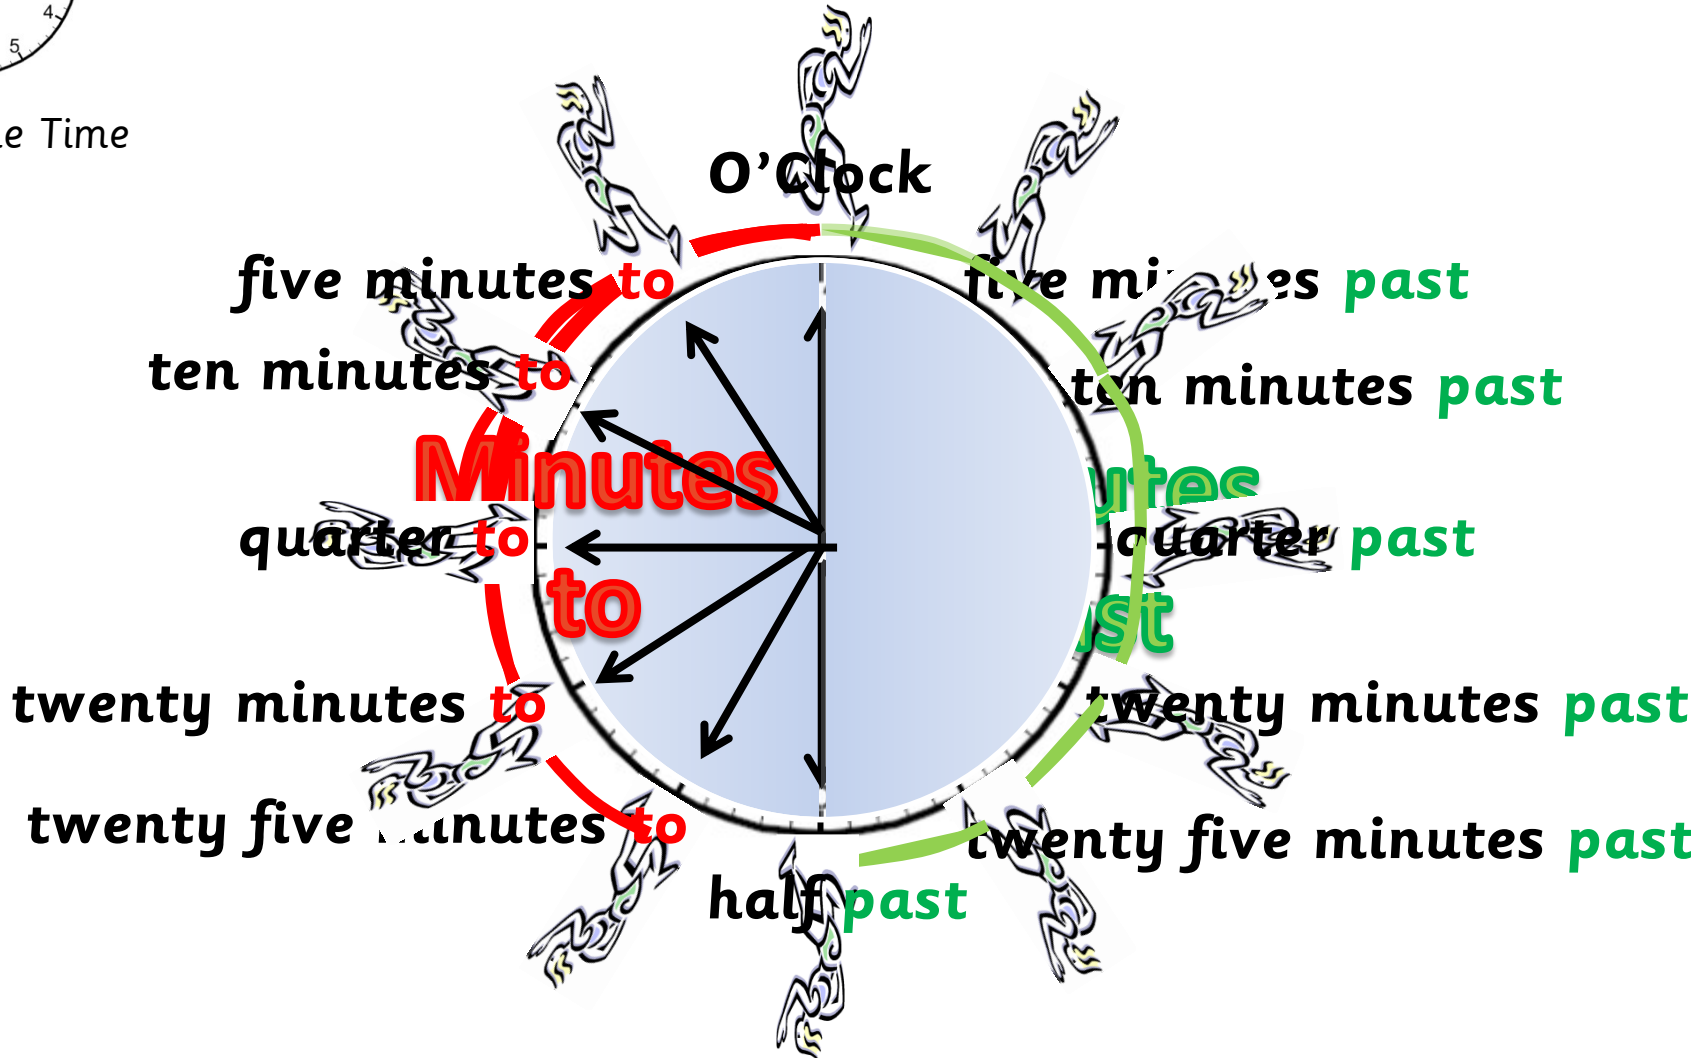

To tell and draw hands on clocks to show the time to 5 minutes

Use the clock template to create your own clock – use plenty of colour and information from the next slide to make it as memorable and as useful as possible!

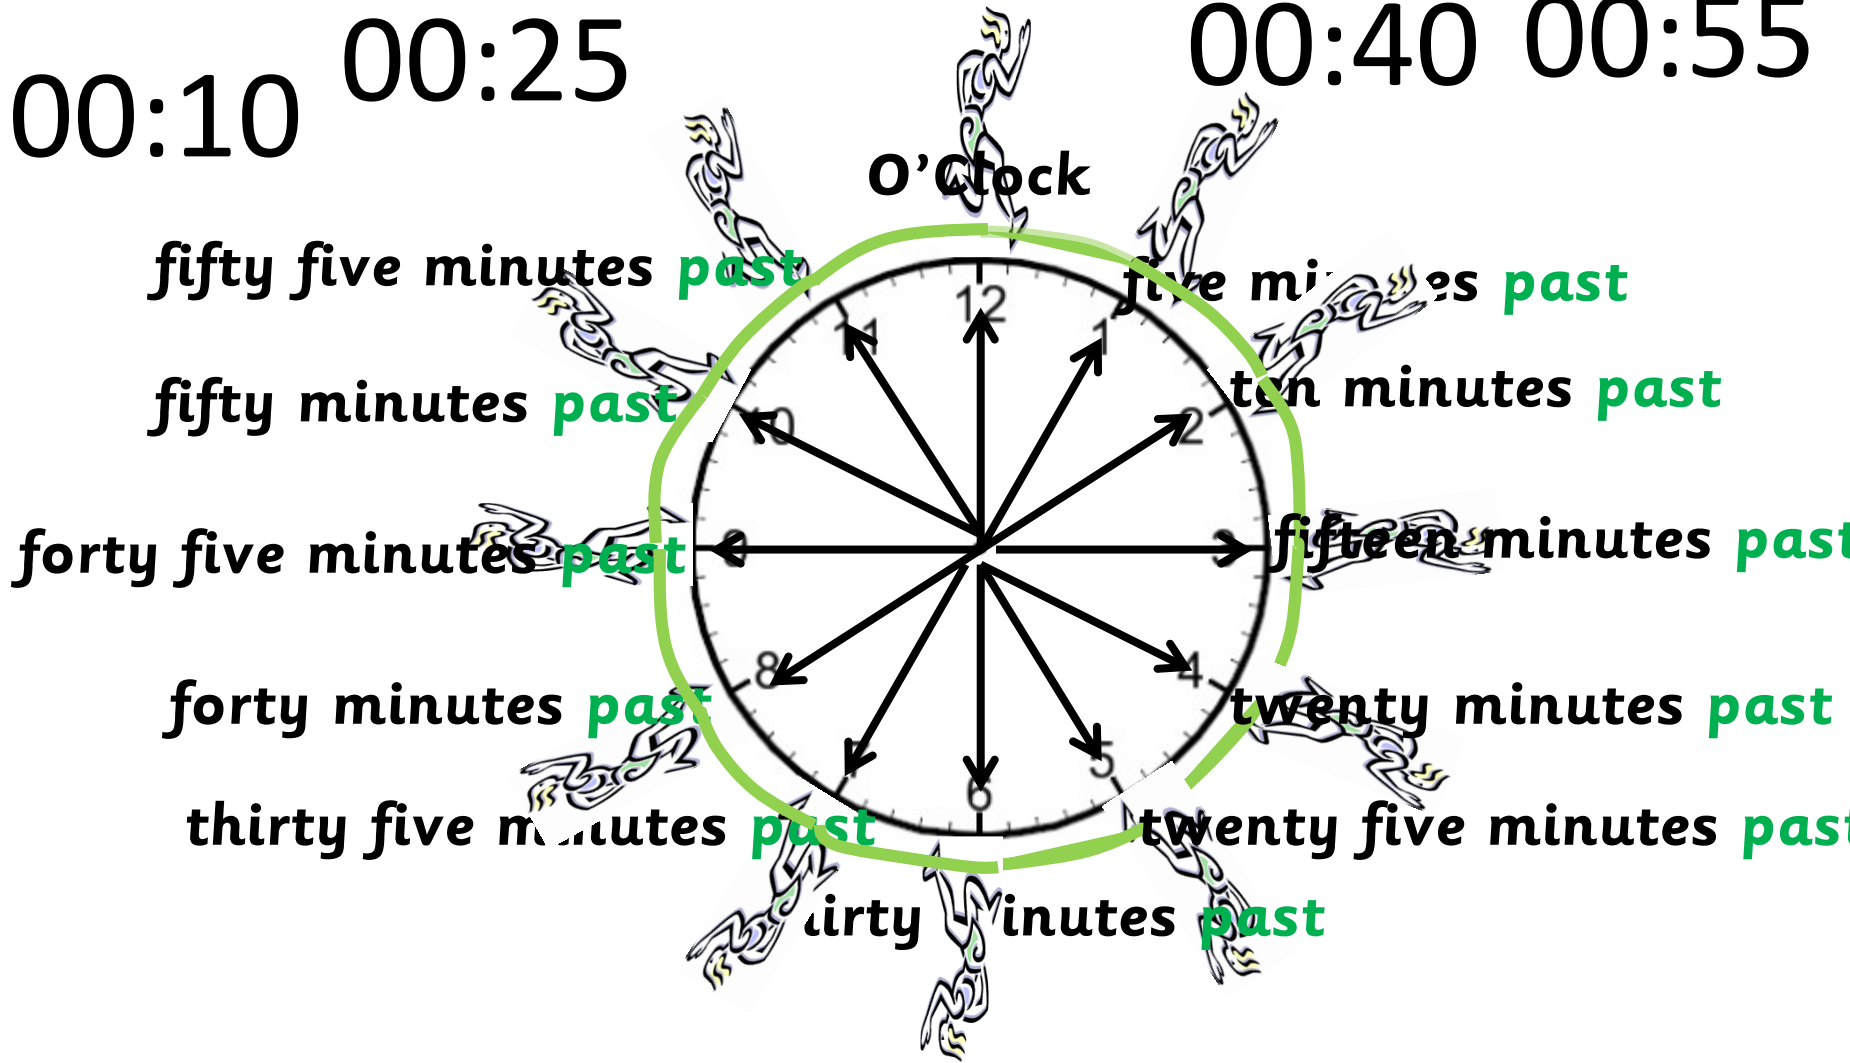

Analogue Time

Analogue time

00:00	00:15	<u>Digital Time</u>	00:30	00:45
00:05	00:20		00:35	00:50
00:10	00:25		00:40	00:55

Task: Now use your knowledge of time to complete the clock faces and times in the 'How many minutes?' activity.

Remember – use the clocks at the top as well as your knowledge of the 5 times table for support!
