

# Zoo Problems

Learning Objective: To solve problems relating to time

# Telling the Time

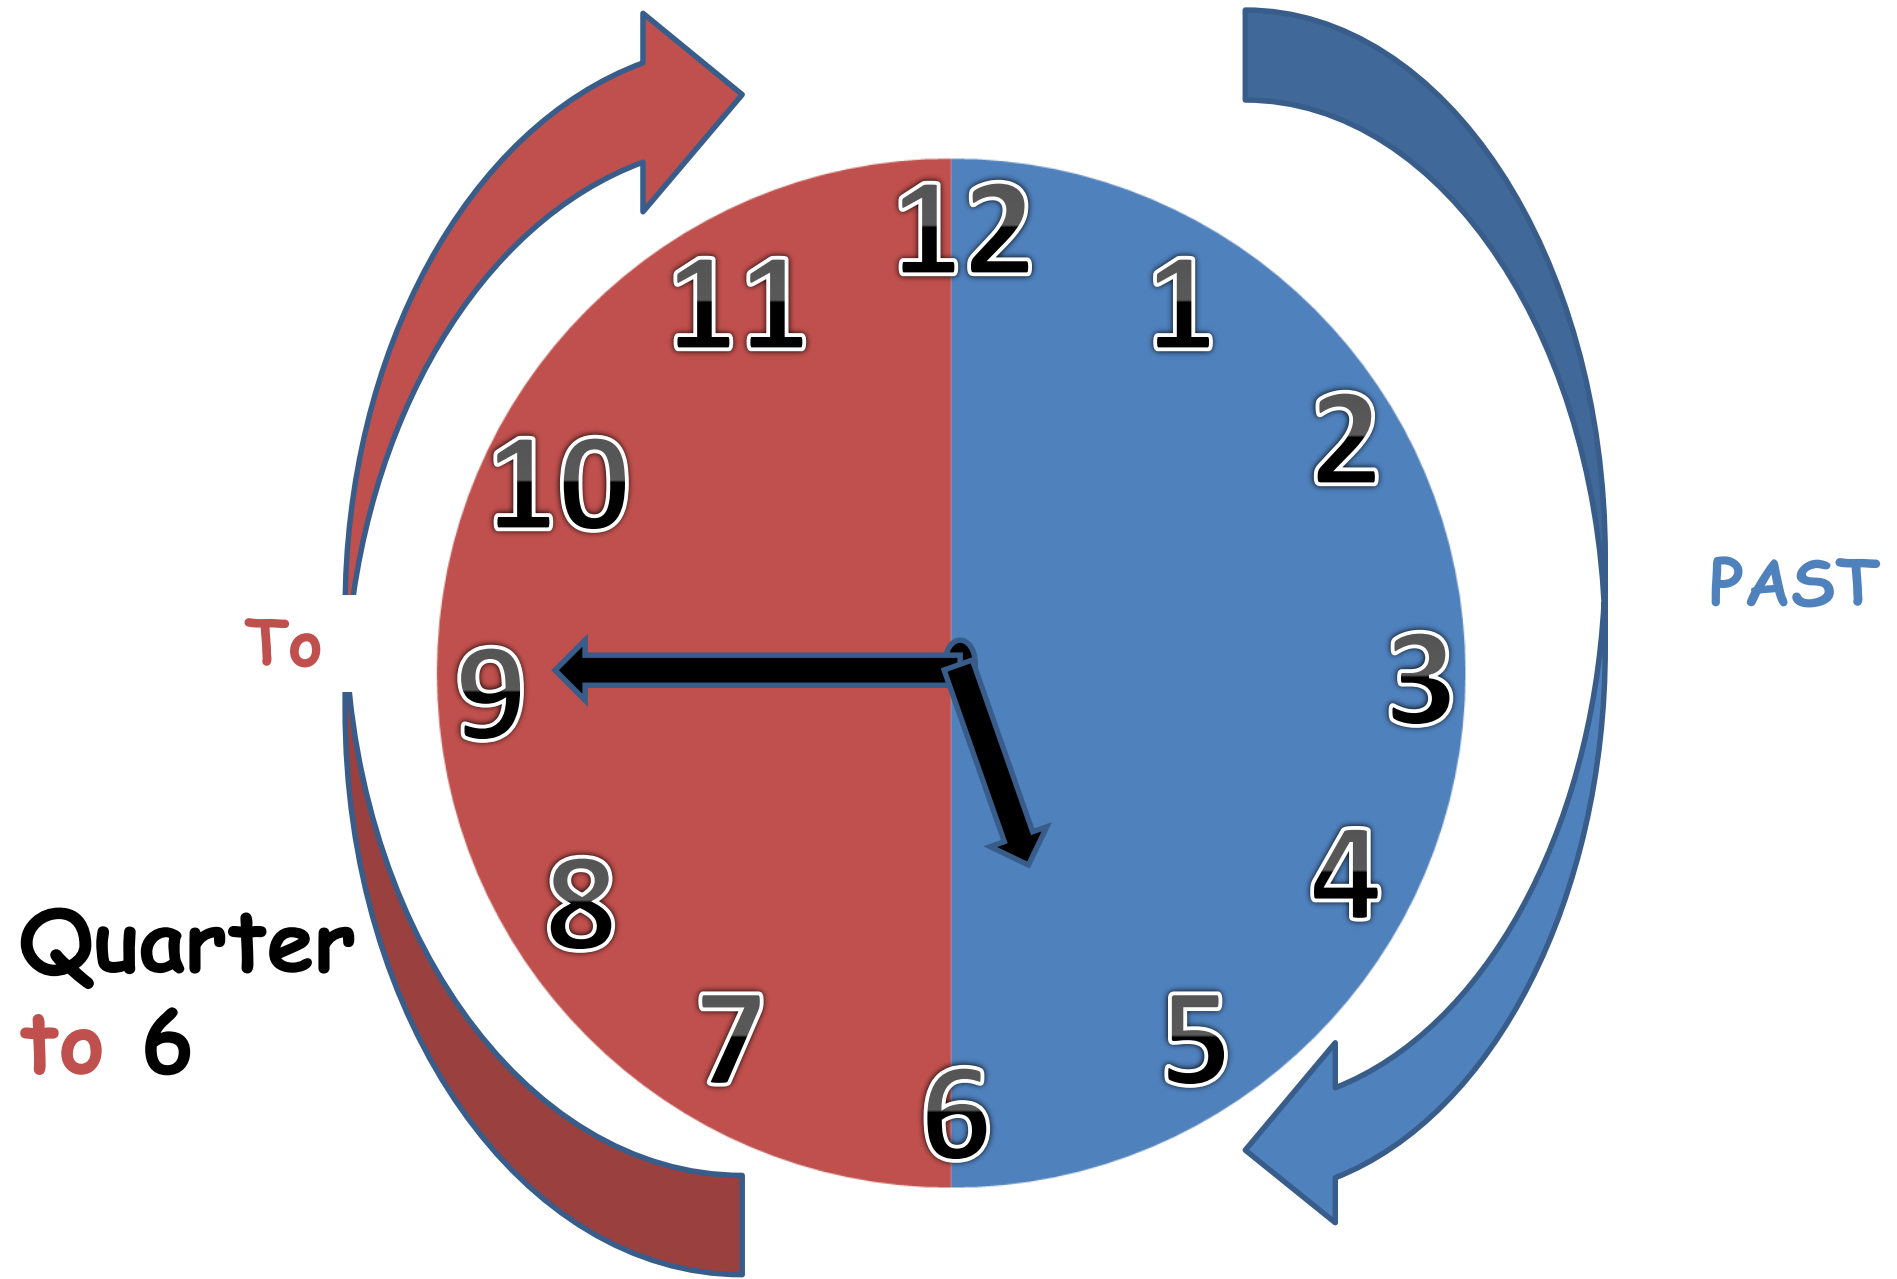

- Look at the blue side of the clock - That is always past the hour.
- Look at the red side of the clock - that is always to the hour.
- Now let's see if we know these times.....

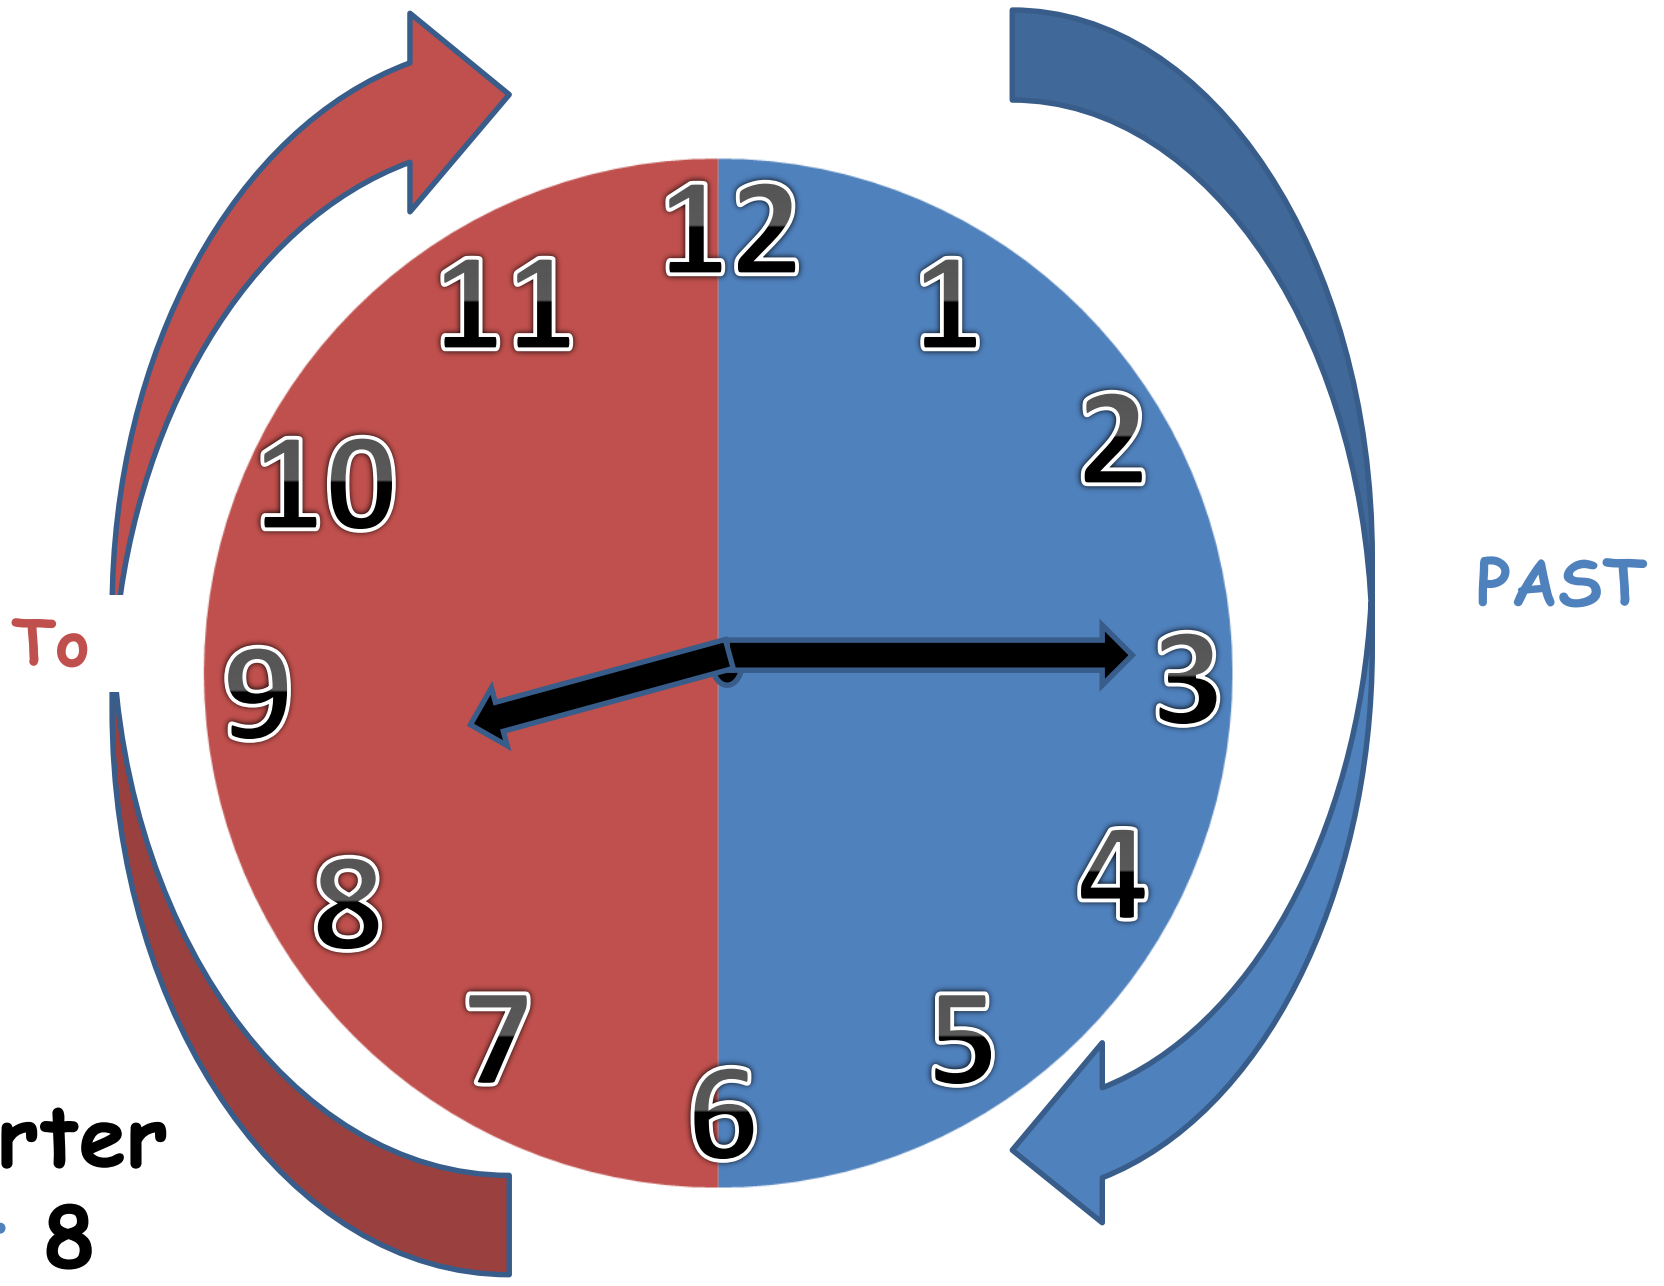

To

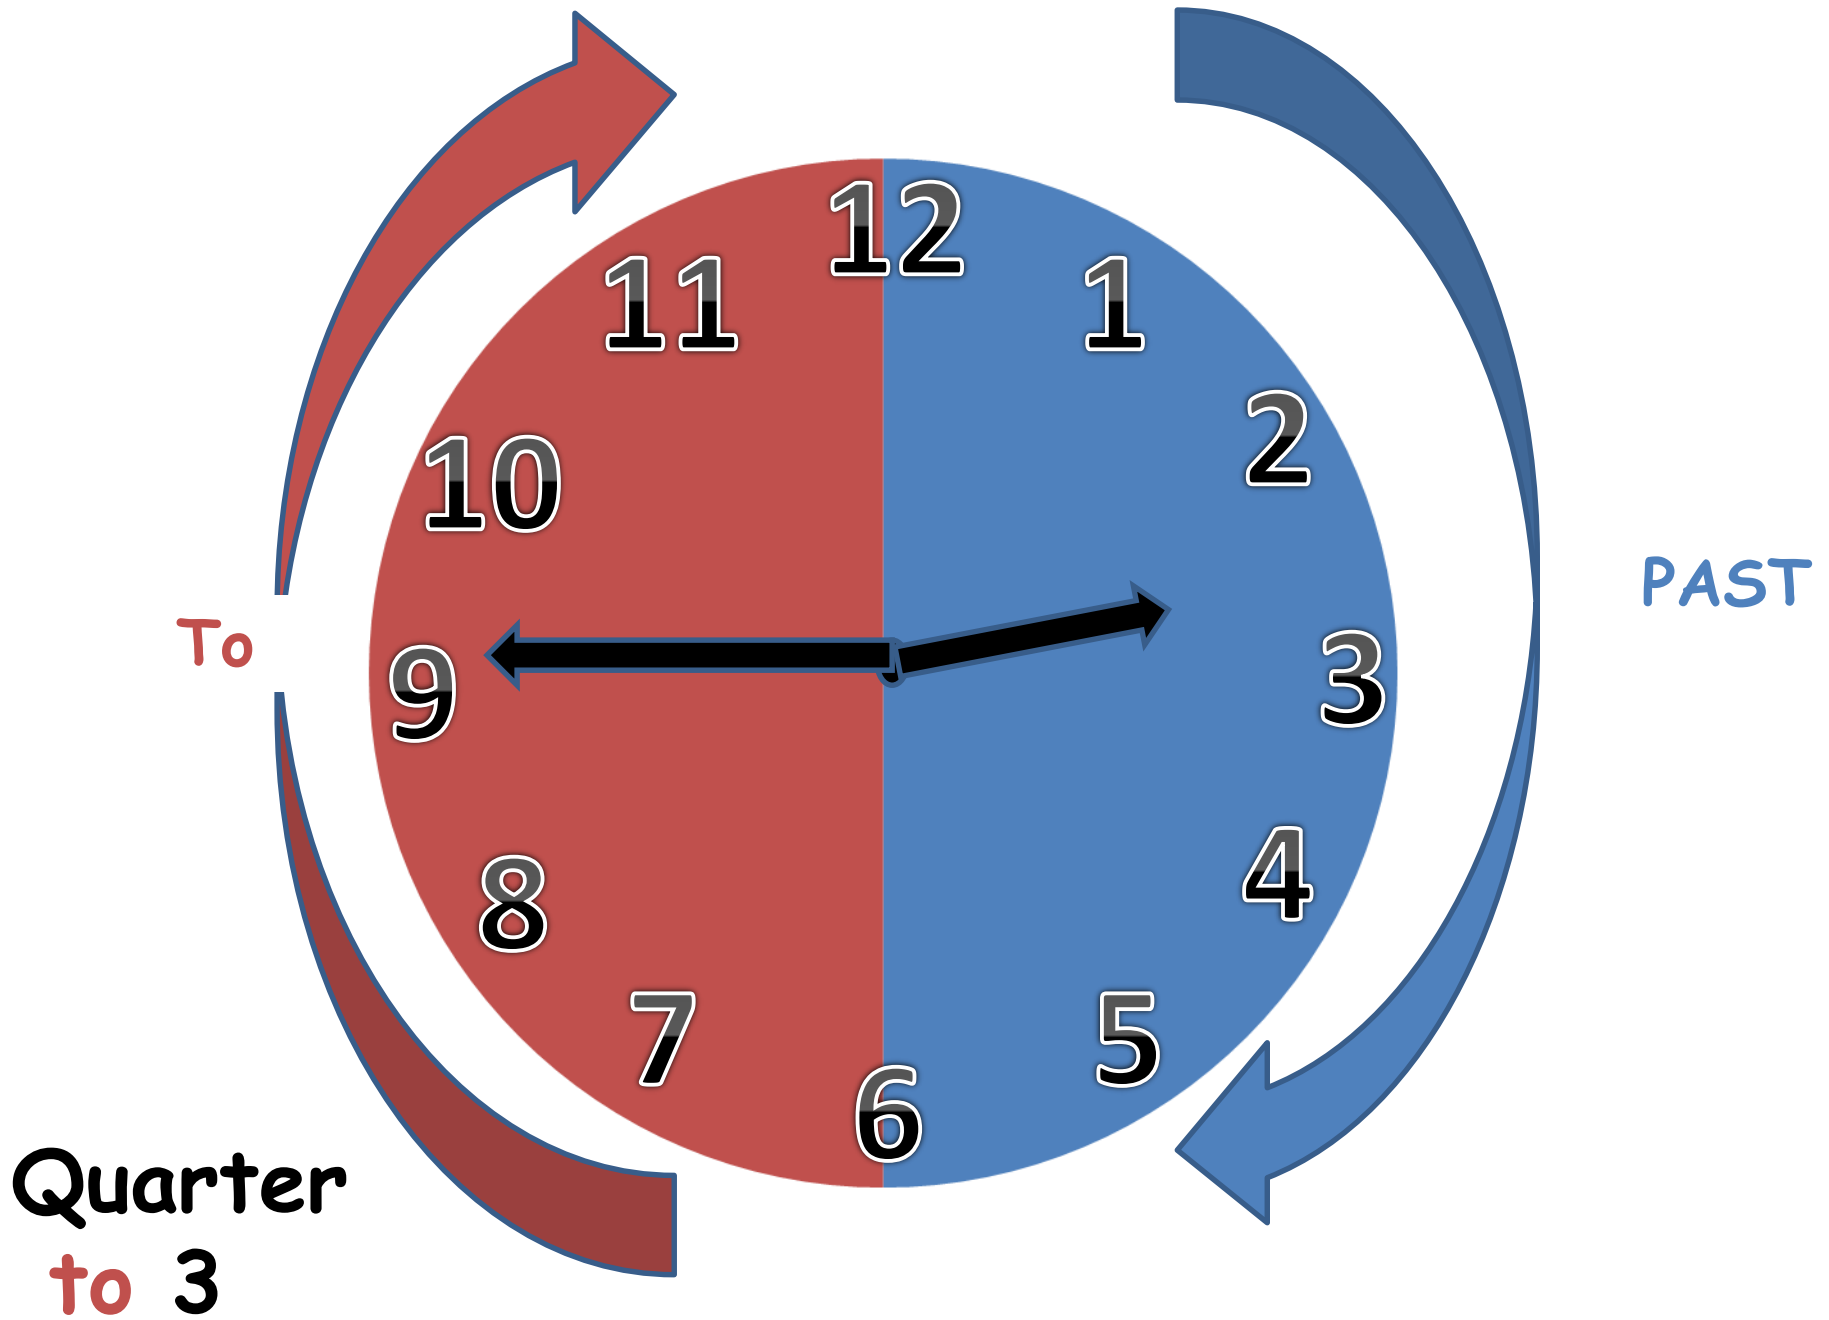

PAST

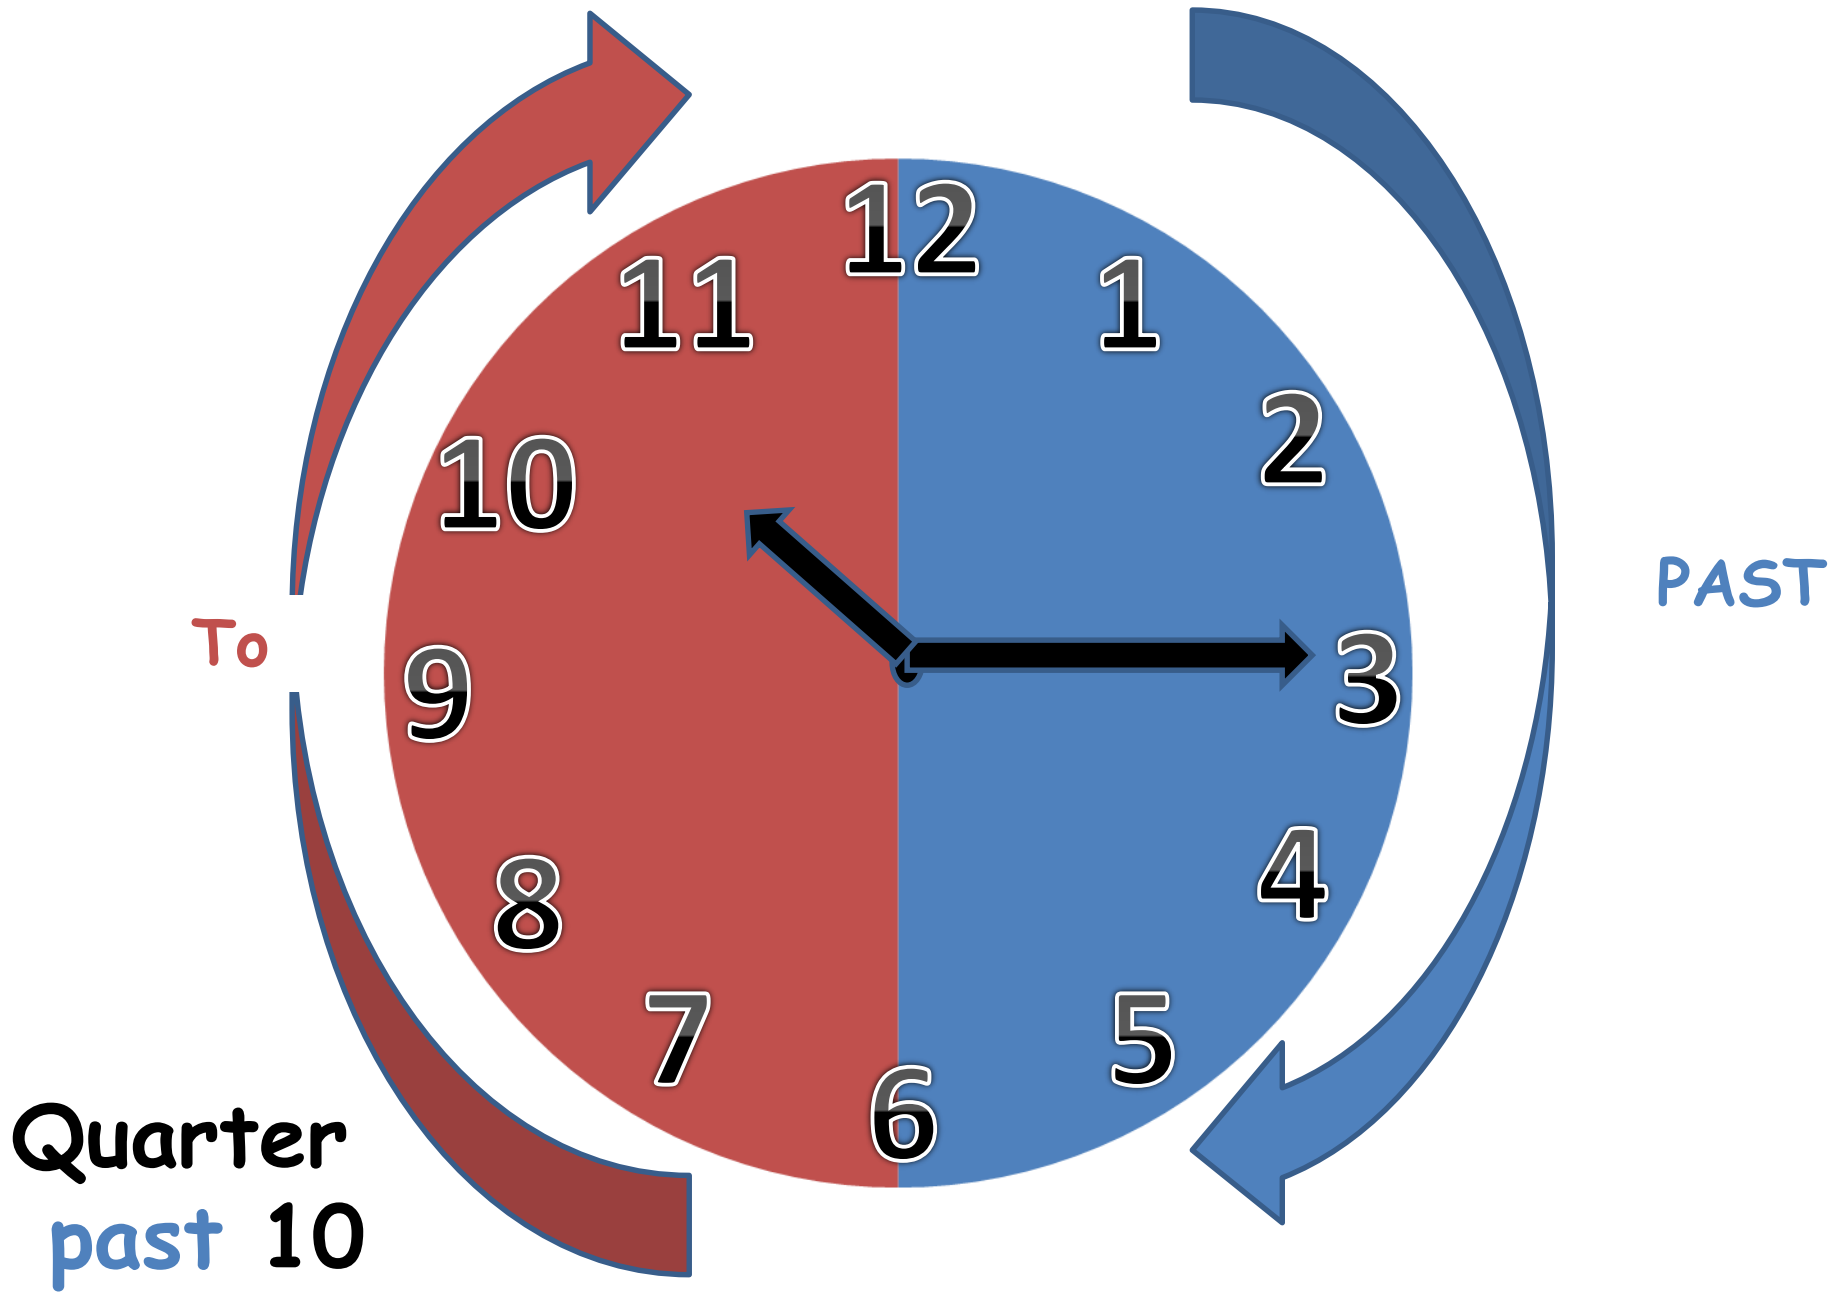

Quarter  
past 5

Quarter  
past 8

Task: Now use your knowledge of time to complete the 'Trip to the zoo' activity.

Remember – use the clocks in these slides as well as your knowledge of the 5 times table for support!
