

Think about the names we are given. What people do we know that have lots of different names?

Show children the key name 'Saviour' and explain that this is one of the names that Christians have for Jesus, and means 'Rescuer'. What other names could be given to Jesus - think about everything you have learnt about him in the last few weeks.

Task: Create a poster with Jesus' name in the middle and mind map all the names you could give Jesus with illustrations to evidence your name choice e.g. kind could have a picture of Jesus helping the blind man.
