

# Discussing Non-Fiction Texts

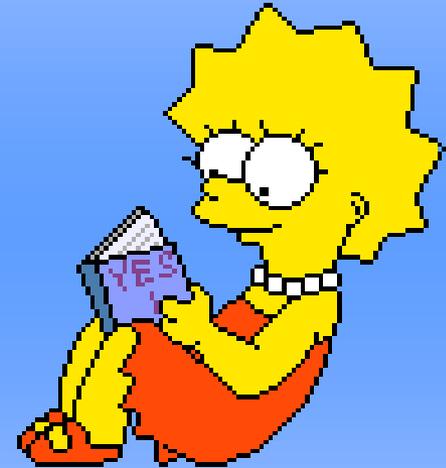

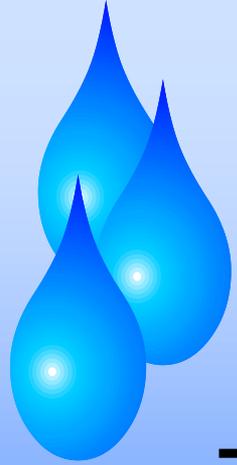

**Learning Objective:  
To comprehend a text**

# The Features

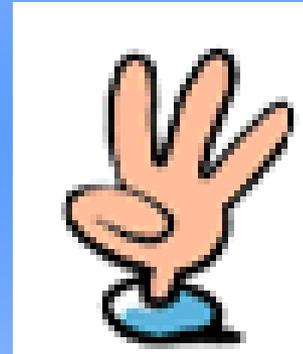

- How do illustrations and diagrams help you to read this text?

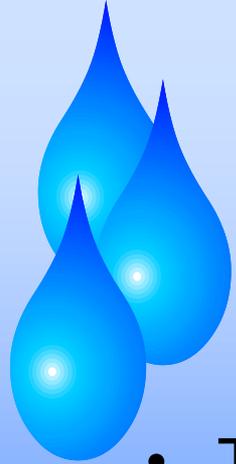

# Facts

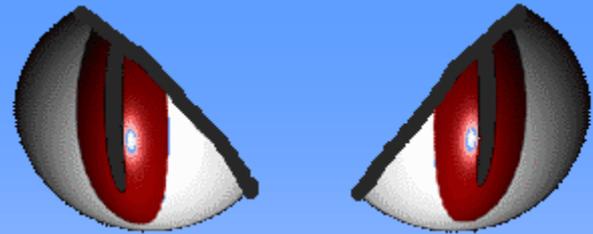

- Tell your parent or sibling three facts which you have learned from the text after reading it.

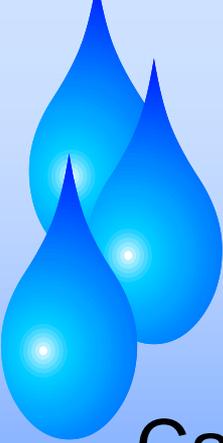

# Fact or Opinion?

- Think carefully about what you said. Were they actual facts or opinions?
- Will everyone think the same thing?
- Can you prove what you said?
- If not, it is probably an opinion (not a fact!).

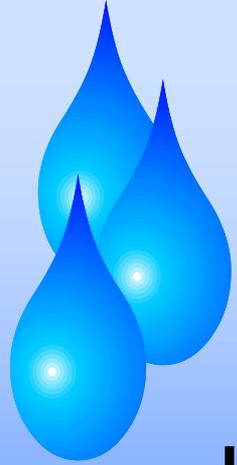

# How was the Information Presented?

Can you find information presented as:

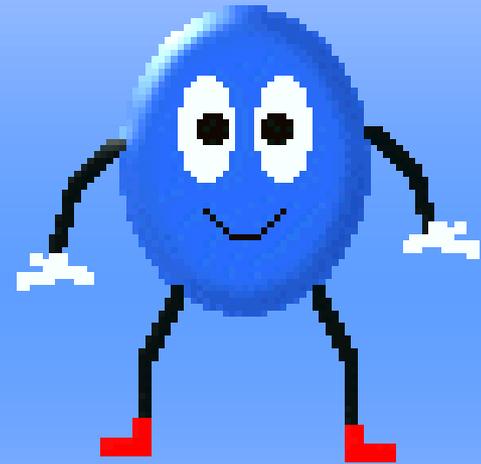

- A table?
- A map?
- A graph?
- A timeline?
- A diagram?
- A set of instructions?

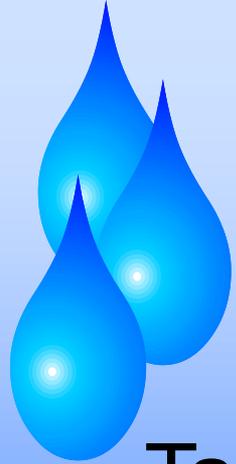

# Further Information

- How can you find more information about this topic?

Task: Now read the questions carefully before using the text to support your answers.

Remember: All the information is in the text so search thoroughly! Ensure neatest handwriting and presentation.
