

# Shopping multiples

Date: \_\_\_\_\_

Count in 2s, 5s and 10s and recognise multiples of 2, 5 and 10

Multiples of 2

Multiples of 5

Multiples of 10

### Teacher's notes

Children decide whether the price on each item is a multiple of two, five or ten. They should write each number on the appropriate shopping receipt. Some prices will go on more than one receipt.
