- Go forward 2 squares.
- Make 1 **right angle turn clockwise**.
- Go forward 2 squares.

Teacher's notes

At the top of the page, children draw the route of snowboarder A and snowboarder B onto the race track above. They then put a ring around the directions which led the snowboarder to the flag. At the bottom of the page, children plan a course on the empty grid. They write directions for how to reach the finish line.
