"WOW! I can see for MILES!"
She looked all around.
"WOW! WOW! WOW!"
Mona looked at the lion.
"Stop saying WOW," said the lion, "and look at me."
"WOW," she said, and she sprang in the air.
"You ARE a big fierce lion,"
And Mona jumped ...
... and Leapt
... and climbed
... and scrambled all the way to the very top
of the mountain.

"WOW!" Mona said.
"WOW! I can see for MILES!"
She looked all around.
"WOW! WOW! WOW!"
Mona looked at the lion.
"Stop saying WOW," said the lion, "and look at me."
"WOW," she said, and she sprang in the air.
"You ARE a big fierce lion,"
And Mona jumped ...
... and Leapt
... and climbed
... and scrambled all the way to the very top
of the mountain.

"Oh," purred the lion. "Do I?"
she shouted, loudly.
And he slipped
... and he staggered
... and he fell over thistles and bushes,
all the way back down to his cave.
