

Name: _____ Date: _____

Find my number

Partition 3-digit numbers in various ways

1 Hannah has thought of a 3-digit number.

Here is her clue.

$$\square 00 + 320 + 41 = ?$$

What might her number be?

--	--	--	--	--	--

2 George has thought of a number.

Here is his clue.

$$200 + \square + 35 = ?$$

What might his number be?

3 Explain why there are more possible answers for George's number than Hannah's.

4 Make up a secret 3-digit number for a friend. Write your clue here.

$$\square + \square + \square = ?$$
