What's my number?

What's my number?

Write down some questions that you will ask your partner about their secret number.

Take turns to:

- ask your partner the questions and use the number square to cross out numbers that are not their secret number
- guess your partner's secret number.

1 Choose a number on the 101–200 number square. Write down all the properties of that number that you know. These words and phrases may help you:

| odd | multiple of 10 | higher | between |
| even | multiple of 5 | lower | |

You will need:
- Resource 44: 101–200 number square

2 Play 'What's my number?' with a partner.

1 Choose a number on the 201–500 number square. Write down all the properties of that number that you know. These words and phrases may help you:

| odd | multiple of 10, 5, 3 | lower | place value |
| even | higher | between | digit |

You will need:
- Resource 45: 201–500 number square

2 Play 'What's my number?' with a partner.

1 Choose a number between 101 and 1000. Write down all the properties of that number that you know.

2 Play 'What's my number?' with a partner.
