

A postcard from a frozen landscape.

In Geography, we have been comparing Norway and the UK. We found out that for several months of the year the average temperature in Norway stays below freezing.

Your task this week is to research another 'frozen country' and then write a postcard imagining you are visiting that country.

Task 1 – Choose either Greenland or Iceland and complete some research

I am going to visit: _____

What places of interest might you have visited?

- 1) _____
- 2) _____
- 3) _____

What animals might you have seen?

- 1) _____
- 2) _____
- 3) _____

What was the weather like?

Did you eat any unusual food?

Other Useful facts:

Task 2 – Create a postcard from your chosen country. Draw a picture on one side showing some key places of interest and then use your research to describe your visit.
