

Challenge

14th November

14th January

22nd June

5th March

29th September

Without using a calendar, work out on which day of the week each character's birthday falls this year.

Think about ...

Perhaps start with today's date and work forwards and backwards.

Do you know of any important dates this year that occur on a particular day of the week?

What if?

This year, what date is the:

- first Saturday in October?
- third Monday in May?
- second Friday in December?
- last Sunday in July?
- first Wednesday in April?

When you've finished, turn to page 80.
