

Cycle race times

Find the time taken to complete a task or event

Challenge 1

Scottish shortbread takes 25 minutes to bake.
Mr Fraser the baker puts trays of shortbread into his oven at these times.

- a 7:20 a.m. b 7:55 a.m. c 8:13 a.m. d 8:48 a.m.

Work out the finish time for each tray of shortbread.

Challenge 2

Copy and complete the table by working out the finish time for each cyclist in Stage 2 of the Tour of Scotland Cycle Race.

Cyclist	Start time	Time for Stage 2:		Finish time
		hours	minutes	
1	2:45	2	14	
2	2:45	1	55	
3	2:45	2	19	
4	2:50	1	59	
5	2:50	1	52	
6	2:50	2	13	

Challenge 3

- Using the table, work out how long each cyclist took to complete the time trial part of the race.
- Write the cyclists in order of finishing the time trial, winner first.

Cyclist	Start time	Finish time
1	10:30	12:40
2	10:33	12:28
3	10:36	12:35
4	10:39	12:45
5	10:42	12:32
6	10:45	12:38
