

Year 3 Home Learning - Geography

Introduction to Modern Greece

This term you will be starting to learn about modern Greece.

Part One - Where is Greece in Europe?

- ✓ Read the Part 1 Information Pack about Greece's location and its place in Europe.
- ✓ Read the Europe Atlas Page.
- ✓ Answer as many questions as you can on the **Part 1 Question Sheet**. (Some of them are quite tricky!)

Part Two - Finding Your Way Around Athens

- ✓ Read the Part 2 Information Pack about Athens
- ✓ Conduct some further research into Athens and **present it in any way that you would like** - You could consider: *famous landmarks, famous people from Athens, sports teams etc.*

Part Three - Comparing Ancient and Modern Greece

- ✓ Think about the information that you know about Ancient Greece and Modern Greece so far.
- ✓ Produce a fact file which **compares** and **contrasts** what life was like in Ancient Greece with what life is like now in Modern Greece.
- ✓ You could consider the following points: *Ancient vs Modern Olympics, transport, jobs, famous landmarks etc.*

Extension:

If you have finished all of the tasks above, and you would like to explore Greece further, you could attempt some of the following ideas:

- Explore the world using **Google Maps / Google Earth**
- Explore the **Greek language** - how is it similar / dissimilar to English?
