

When you've finished, find a partner or another pair or group.

Share

Share your results.

Discuss

Discuss any results that are different.

Which result is correct?

Might there be more than one solution?

Share

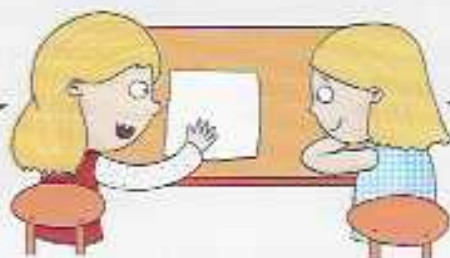

Share the methods used.

Discuss

Discuss the similarities and differences in the methods used.

Which method worked best?

Are there any other ways to go about solving the problem?

Share

Share what you have learned.

Discuss

Discuss what you would do the same, and what you would do differently next time.

Is there anything you would do differently?

What would you do the same?

What have you learned for next time?
