

Horizontal and vertical lines

Know when a line is horizontal or vertical

Challenge 1

Look at the red line on each object. Write H if it is horizontal and V if it is vertical.

You will need:

- 1 cm squared paper
- ruler
- blue and red pencils

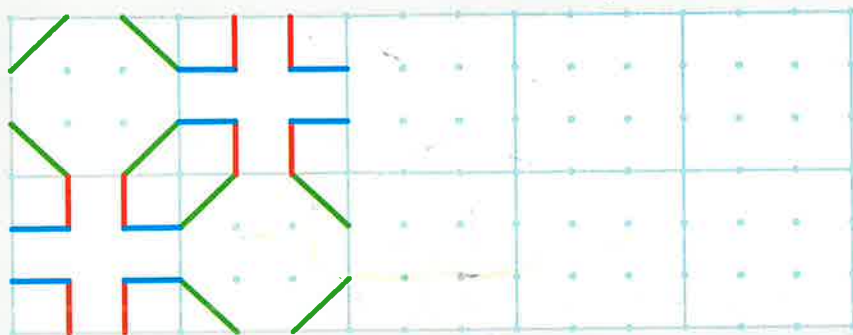

Challenge 2

Copy these shapes on to 1 cm squared paper. Draw the horizontal lines in blue. Draw the vertical lines in red.

Challenge 3

Copy and continue the pattern. Draw horizontal lines in blue, vertical lines in red and diagonal lines in green.

You will need:

- 1 cm squared dot paper
- ruler
- blue, red and green pencils
