

Geography Project (Week Beginning 27.04.20)

Task 1

<https://www.ordnancesurvey.co.uk/mapzone/map-skills/map-symbols/page-one>

Follow the link above to find out about OS map symbols.

<https://www.ordnancesurvey.co.uk/mapzone/games/pairs>

Then play pairs using this link to see if you can match the map feature to its symbol.

Task 2

<https://www.ordnancesurvey.co.uk/mapzone/map-skills/understanding-scale/page-one>

Read through the information on page 1, 2 and 3 using the link to learn all about the scales used on maps.

Task 3

Look at the OS map of Farnham. Choose a journey you would like to take. This could be from Farnham to Lower Bourne or from your house to school. Create your own map of this journey using the OS map provided and your own knowledge of the area to help you. Try to include some OS symbols and don't forget to include a key.

Task 4

<https://www.ordnancesurvey.co.uk/mapzone/map-quizzes>

Complete the map symbol and scale quizzes to see how much you have learnt!
