

Plurals

Some types of plurals can get tricky, but don't worry — these questions cover 'em all.

1. Write the plural of each word below.

| | | | |
|---------|---------|---------|---------|
| lemon | brick | hamster | dinner |
| | | | |
| [.....] | [.....] | [.....] | [.....] |

2. Tick the plurals which are spelt correctly.

- For those which are incorrect, write the correct plural on the lines.
- a. The island has some lovely **beachs**. *beaches*
 - b. Fred ate seven **bunches** of grapes.
 - c. The **marshs** are scary at night.
 - d. We used **torchs** during the power cut.
 - e. There are birds living in the **bushes**.

3. Write the plural of each of these words.

| | |
|----------------------|----------------------|
| louse ➡ | woman ➡ |
| goose ➡ | sheep ➡ |

4. Rewrite each sentence using plural nouns.

- a. The **monkey** ate the **cherry**.
.....
- b. I really liked the **story** about the **fairy**.
.....

Plurals

5. Circle the plurals that are spelt incorrectly. Then write the correct spelling of each incorrect plural in the box.

- | | | | |
|-----------------|------------------|-------------------|-------------------|
| halfs | cliffs | chefs | themselves |
| sherives | handcuffs | lifes | chiefs |
| giraves | briefes | yourselves | wifes |

halves

6. Underline the word in **bold** that has the **correct** spelling in each sentence.

There are three different (**churchs** / **churches**) in our town.
