

Dear Headteacher

As you know your Year 5 pupils visited us over two days last week. I thought that you would be glad to know that we thought the pupils were truly outstanding! We were deeply impressed by their very positive attitude, eagerness to learn and exemplary behaviour. They were a delight to meet and a pleasure to teach. They were a real credit to themselves, their teachers, the school and their parents. I would be grateful if you would be kind enough to pass on the thanks of all the children and the teachers and other supporting adults who visited both days.
