27th June 2023

Dear Parent / Carer,

As we approach the end of term. I would like to express my gratitude for your continued support of our school. Your contributions, as well as those from the Infant PTA and Junior PFA committees, have allowed us to make significant improvements to our facilities.

We are thrilled to announce that our Infant Library has been successfully completed and is now open for the children to enjoy. This renovation has provided an enhanced space for our children to fully immerse themselves in literature. With the addition of a mezzanine level, classes now have more room to read and explore in a quiet and peaceful environment. We appreciate your patience and understanding during the construction phase and would like to extend a huge thank you to the PTA for their generous support in funding this project. I have included below an invitation to our library opening event which you are all welcome to.

In addition to the library works, we have been able to purchase new role play corners for the Reception classrooms, new reading material for both sites and IT equipment for classrooms, libraries, and studios.

At the Junior Site, we are moving forward with plans to develop our outside sport facilities and outdoor learning environment, and we will be sharing these exciting plans with you soon.

These accomplishments and planned developments would not have been possible without your support and contributions. We are grateful for any generous ways in which you can contribute, whether through a donation via ParentPay under School Trust Donations (last year we suggested a voluntary contribution of £100 per child), or by sharing your expertise and experience with the school. This could include coming to talk to the children (through our Bright Futures initiative), reading with children or painting school benches over the summer holidays. Every little helps!

We have attached a gift aid form and standing order form to this email to help make any donation go further. By completing the gift aid form and returning it to the school office, you can increase the value of any donation made by 25%. If you have any questions about how you can contribute, please do not hesitate to contact us, and we would be more than happy to discuss the various options with you.

Once again, thank you for your support. It is greatly appreciated.

Best wishes,

Miss Whitbourn
