

15th April 2024

Dear Parents,

Year 4 Summer Term Activities 2024

This term the children in Year 4 will be involved in the following activities:

Dhol Drumming Workshop

We are pleased to welcome Jim Bernardin from World Music Workshops on **Tuesday 23rd April** for the Dhol drumming workshop. Jim will feature the beautiful Dhol drums, used both in Sikh and Hindu traditional celebrations, such as Vaisakhi and Diwali and at weddings. The rhythms are exciting and uplifting, and each class will learn together a simple and authentic rhythm from this wonderful culture.

Arts and Cultural Workshop

On **Thursday 23rd May**, Year 4 will be taking part in a samba drumming workshop. This is an exciting opportunity for the children to experience another culture through music, and links with the sound signals work that the children have been exploring in their music lessons.

Science Show

On **Monday 1st July**, we have booked a Science Show featuring Professor Brainstorm. The Professor will perform many exciting, puzzling, and fascinating experiments designed to stimulate, entertain, and educate.

In order for these events to take place, we should be grateful to receive a voluntary contribution of £8.50 towards the cost of the activities, together with the completed consent form – all of which can be accessed via Parent Pay.

This completes our educational visits and workshops for Year 4. May I thank you for your help and support throughout the year.

Yours sincerely,

Mr Daniel Strachan
Year 4 Leader
