

Wrap Around Care

We are delighted to be able to offer parents and guardians high quality wrap around child care for the children attending South Farnham School: **at both the Infant and Junior Sites.**

The aim of South Farnham child care facility is to provide high quality before and after-school child care for the children attending the school. The children will be looked after by child care assistants who are committed to generating an atmosphere of care and respect within a safe and secure environment. We hope that parents with children at the school will feel confident to use the facility, secure in the knowledge that their children will be happy and safe. The children will be looked after by child care teaching assistants who are committed to generating an atmosphere of care and respect within a safe and secure environment. All staff are DBS checked (previously CRB).

Breakfast Buddies: This before school care facility looks after children who attend South Farnham Infant or Junior Sites each school day (see times below). The children will be provided with breakfast (typically cereal, a drink and fruit). They should arrive at the school reception for this provision.

After School Care: This facility looks after children who attend South Farnham Infant or Junior Sites each school day (see times below). The children will be provided with a drink, fruit and biscuits. The children are given a broad range of activities which will include board games, arts and crafts and outdoor activities when the weather permits. There is the opportunity for children to work on their homework or to read. The children will be cared for within the school in a room used for group teaching during the day. The room is equipped with a television, computer, books and games. From time to time the children will use other areas of the school, in particular they may use the school field when weather permits. The children should be collected from the office or outside (if indicated on a sign outside the school). If your child goes to a school club and you wish them to use the Child Care Facility afterwards then you simply book them a place as normal and your child reports to the Care Assistant after the club. Please note that the full charge for the facility will apply.

Charges from September 2025 will be at the following rates: -

Breakfast Buddies for the Infants: 7.45-8.45am £9.00 (including breakfast)

After School Care short session for the Infants: 3.15-4.15pm £8.00

HONESTY | INTEGRITY | DIVERSITY | COURTESY | RESPECT

Member of the South Farnham Educational Trust
